

Club Board and Membership meeting November 11th

Items discussed and approved.

Pancake Day: The membership gave its approval to changing the hours of Pancake Day to 6am to 4pm. It will take effect with the 2016 Pancake day. The request received approval from the Pancake Day committee and then was presented to and then approved by the club board.

Splash and Dash Update: I made contact with Jason Greenwood who will be running the program this year. It is scheduled for January 1st. Some of the logistics are still being worked out. He will be in touch with us when he knows more. I will share the e-mail at club.

West Racine Club: Our club received a communication from Jim Henderson of the West Racine club. He wants to set up a sub-committee that will include the 3 Racine clubs that will meet 2 to 3 times during the year to identify projects that our clubs can work on together that will benefit the community and give us a nice presence. I was given board approval to pursue this. I have contacted Jim indicating our willingness to be a part of this group. More on this as it develops.

Meeting this week:

Wednesday November 18th is our Thanksgiving Day Interclub. Meeting begins at noon. Our guest speaker will be Kevin Cookman; Executive Director of the HALO center. The topic of his presentation will be "What makes solving homelessness so difficult." West Racine is sending an interclub to join us. Ceil is serving turkey with all of the trimmings!

NEEDS: I am going to have a welcome table set up for our guests who will be coming and need a member who comes early to man it. Let me know.

Upcoming needs and events

1. PROGRAM SPEAKERS NEEDED FOR JANUARY
2. See December calendar for important upcoming events.
